**Subject:** Baltimore Honeybee Workshop

Hello All,

The *Sustainability & Global Awareness Committee* has allotted funds to allow WSB faculty to attend the [Baltimore Honeybee Workshop](#). The fee is generally \$100 for participants and \$50 for educators -- but SGA funds will cover your fee. WSB will take ownership of the Baltimore Honeybee Hive that is on our property in spring of 2013. In preparation, I will be attending the workshop series and would like you to accompany me as well (more of us that know about the bees the better). There are 5 workshops which will be located at the Baltimore Free Farm in Hampden. The dates are: **Sundays -- Feb 3rd, 17th, March 10th, 24th, and April 21st from 11am-2:30pm.**

Please note that the February 17<sup>th</sup> workshop conflicts with Sensible Science. Attendees can miss one honeybee workshop and get a voucher to attend the missed workshop during the next season. Please let me know if you are interested in attending the workshop as soon as you can -- space is limited and the last day to enroll is January 31<sup>st</sup>.

Have a wonderful weekend,  
Michel
